

Degree Works
3rd Party Software List

Release 5.0.3
December 2019

Notices

© 2018-2019 Ellucian.

Contains confidential and proprietary information of Ellucian and its subsidiaries. Use of these materials is limited to Ellucian licensees, and is subject to the terms and conditions of one or more written license agreements between Ellucian and the licensee in question.

In preparing and providing this publication, Ellucian is not rendering legal, accounting, or other similar professional services. Ellucian makes no claims that an institution's use of this publication or the software for which it is provided will guarantee compliance with applicable federal or state laws, rules, or regulations. Each organization should seek legal, accounting, and other similar professional services from competent providers of the organization's own choosing.

Ellucian's Privacy Statement is available at: www.ellucian.com/privacy.

Ellucian shall have the right to (a) use, store, process, modify, reproduce, distribute and display customer data, and to grant sublicenses to third parties, for the sole purposes of providing the software, performing Ellucian's obligations under its agreements with customers and complying with applicable law or legal requirements; (b) use, store, process, modify and reproduce customer data for Ellucian's internal business purposes, including development, diagnostic, forecasting, planning, analysis and corrective purposes in connection with the software, and for otherwise improving and enhancing the software; and (c) use, store, process, modify, reproduce, display, perform, distribute, disclose and otherwise exploit in any manner Aggregated Data for Ellucian's business purposes, including disclosure within its public statements and marketing materials describing or promoting Ellucian or the software. "Aggregated Data" means any data obtained or generated by Ellucian, including data pertaining to the software, Ellucian's systems and software, and the use of any of the foregoing, and includes data derived from customer data, which in all instances (i) does not identify any individual and (ii) is not attributed or attributable to a specific customer. Aggregated Data includes data that has been combined into databases which include third party data.
